Tv Room

The excellent facilities and location make this residence an excellent place to study Spanish and visit the neighbourhoods and streets of Seville every day. The residence offers private shuttle service to downtown.

Seville is a very welcoming city, with a wide range of historical sites and places of entertainment to be explored by students with an intensive cultural program.

It is a city that includes from the most typical places in Spain, the **Giralda**, the Santa Cruz neighbourhood, the Museum of Fine Arts ... etc. to the most modern streets and futuristic squares as the Encarnación.
